

Only 1 in 4 Americans can afford a \$400 medical bill. To help, we are proud to partner with **CORE: Children of Restaurant Employees** in raising funds to help employees with children in the food and beverage industry who face a qualifying circumstance, such as a health crisis or natural disaster.

We are asking guests to “Add a Side of Hope” donation to their check, because life doesn’t always go as planned.

To learn more about CORE, or to make a direct contribution, visit coregives.org or scan the QR code.
