Facebook Birthday Fundraiser for CORE
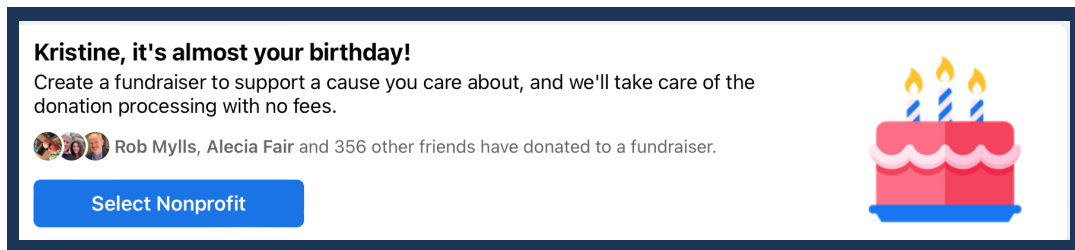

About Facebook Birthday Fundraisers:

With very little effort you can use Facebook to raise money for CORE, here's how!

Two weeks before your birthday, you'll receive a notification in the upper right corner of your desktop Facebook screen giving you the option to create a fundraiser for your chosen nonprofit. Your friends will receive a notification inviting them to support the cause in honor of your special day.

How To Create a Birthday Fundraiser on Facebook Benefitting CORE:

- Two weeks before your birthday, you should receive a message from Facebook in your News Feed giving you the option to create a fundraiser for your birthday as pictured below, click "Select Nonprofit."

- You will be presented with numerous nonprofit options. Set CORE: Children of Restaurant Employees as your preferred charitable organization to receive donations.
   - To do so, type "CORE" into the search bar pictured below and click search.
