**[Insert Brand] Partners with CORE for the Inspiring Hope Campaign  
The Inspiring Hope Campaign aims to help restaurant families rise.**

BRENTWOOD, TN [April 1, 2023] – [BRAND] is teaming up with CORE© (Children of Restaurant Employees), a national non-profit organization that provides direct financial help to food and beverage employees with children, to help restaurant families rise during the Inspiring Hope campaign. From April 1-30, 2023, [BRAND], along with other supplier companies, will take a stand in supporting the front-line employees who serve us every day in restaurants, bars, coffee shops, and eateries across the country.

“Many Americans do not always have a financial safety net in place when they face a medical crisis, major injury, death, or loss of home or place of employment due to a natural disaster. It’s no different for employees with children in the food and beverage industry, who may miss income when out of work to navigate one of these crises,” said Sheila Bennett, Executive Director of CORE. “At CORE, we are focused on supporting these employees and their families during their times of personal health crisis or natural disaster. We are here to provide emergency relief for these families and their children.”

Starting Saturday, April 1, [BRAND] and other suppliers throughout the country will inspire hope. CORE grants are utilized to cover rent/mortgage, utilities, travel expenses for medical treatment, therapies and other essential needs for food and beverage employees with children that may face one of these qualifying events.
