### **SUPPLIER ANNOUNCEMENT POSTS**

(Insert company name) is proud to announce that we will participate in CORE: Children of Restaurant Employees Serving Up Hope Campaign this fall. We are honored to support this industry-focused cause to show appreciation and raise funds to help Food and Beverage Service employees with children who face a life-altering health crisis, death, or natural disaster.

It's humbling to know that more than 60% of CORE grantees are single moms and dads, mostly moms. When life does not go as planned, CORE is here to serve, and we are honored to lend our support and donate to this important cause.

### **MATCHING DONATIONS POST #1 (11/1)**

In this season of gratitude, we are raising funds to help F&B employees with children to serve up hope this holiday season who face a health crisis or natural disaster. We want to make our gift sweeter and double its impact. Donate and we will match up to \$\_\_\_\_\_. Together we will make a positive difference and raise funds for CORE: Children of Restaurant Employees – a national nonprofit that provides financial grants to Food and Beverage service employees with children that may be struggling due to an unexpected health crisis or to rebuild their lives from a natural disaster.
