Natural Disaster Message:

Subject Line: Resource for restaurant employees with children impacted by (*insert circumstance/tornado, hurricane, fire, flood, earthquake, act of violence*)

Our community was devastated by (*wildfire, tornado, hurricane, floods*) that impacted (*insert location*). CORE: Children of Restaurant Employees is here to help your foodservice operations and beverage service operations employees with legally dependent children if they face any of the following grant qualifications:

Medical diagnosis/crisis, major injury, death of the employee, spouse or child, or the loss of home or restaurant workplace due to the natural disaster.

An employee can apply on life for a grant, or you can refer an employee: www.coregives.org

CORE, a national 501(c)3 was founded to provide help for our industry's children when they or their parent that works in a food or beverage service operation faces a life altering health crisis, death, or natural disaster.

-----Note that F&B Service Operators can share with your team members-----

Subject Line: A resource for our (restaurant, foodservice, beverage service) team members

To our operations employees with children. An industry resource is available for(*restaurant, foodservice, beverage service*) employees with a legally dependent child that lost their home (or due to the loss of our restaurant) from the destructive tornadoes, hurricane, flood, fires) that devastated our community: visit www.COREgives.org to learn more and apply for a grant. A family can also be referred online. We are grateful that organizations like CORE exists to provide support to our industry.
